

# How to book online

Thank you for choosing New Farm Clinic. We aim to ensure your admission process runs smoothly, and everything is ready for you when you arrive at reception on the day of your admission.

So everything is ready for you when you arrive at New Farm Clinic, we ask that you complete our online booking registration form at your earliest convenience. We recommend you allow 15-30 minutes for this process. Please ensure you have your private health insurance details and Medicare number on hand.

You will receive an automatic email reply to confirm that your online registration has been received. One of our team will then call you in due course. *MyCare* will save your admission information in your secure account. If you need to be admitted to the Hospital again you can log in and submit a new form where you will have the option to update any information that may have changed from your previous admission.

If you have any queries, please don't hesitate to call **(07) 3254 9100** or contact us via email at **enquiries.nfc@ramsayhealth.com.au**.
